

## JustStore Desktop

Store, back-up, or easily transport all file types including huge multimedia files too large to fit on a USB key, with the Buffalo JustStore Desktop.

An innovative, fan-less design and power-saving mode make this Buffalo JustStore Desktop a dependable, economical and silent solution. Auto installation, easy operation and auto power on/off, you can quickly store, access, and transfer files, digital images, documents, and back-ups. Just plug it in to a PC or Mac and it works! Available in 500GB and 1.0TB.

JustStore Desktop

The JustStore Desktop switches on and off automatically with the connected host device.

**Store thousands of music, video, photo and data files in one convenient location!**
